

Audio Calls

How do I make a phone call?

Say, "Alexa, call CONTACT NAME" The contact must be added to your Alexa address book.

Alexa, call
Matt

How do I know I am getting a call?

Alexa will ring and light up green. Say "Alexa, answer call" or "Alexa, pick up." Your device will keep the green light while you're on the phone.

*"Okay, calling
Matt"*

To answer, say "Alexa, answer"
To hang up, say "Alexa, hang up"

Who can I call?

You can make a call to anyone in the US (landline or cellphone). They must be added to your address book. You cannot call 911.

How do I add contacts?

1. Your community can add contacts for you.
2. A family member can manage your address book with the community app
3. You can manage it with the Neighbors app
