

# Video Calls

## How do I make an audio or call?

To make an audio call, say "Alexa, audio call CONTACT". To make a video call, say "Alexa video call CONTACT"

Alexa, call  
Matt

## How do I know I am getting a call?

Alexa will ring and light up green. Say "Alexa, answer call" or "Alexa, pick up." Or click the green button on the screen.

*"Okay, calling  
Matt"*

To answer, say "Alexa, answer"

To hang up, say "Alexa, hang up"

## Who can I call?

You can make a call to anyone in the US (landline or cellphone). They must be added to your address book. You cannot call 911.

## How do I add contacts?

1. Your community can add contacts for you.
2. A family member can manage your address book with the community app
3. You can manage it with the Neighbors app

**TIP** Turn the camera shutter on if you do not want to do video calls.
