

Check in with Alexa

How do I check in with Alexa?

Alexa will let your community know you're up and about. Plus, you'll hear the menu, activities, messages and more.

- Alexa, good morning
- Alexa, get started
- Alexa, checking in
- Alexa, I'm doing well today

Alexa, start
my day

*"You're going to have a
great day. Would you like
to hear the activities?"*

TIPS!

- Alexa will only read information that is available. For example, if you do not hear any activities, that means it is not available.
- If it doesn't work the first time, try again!
- If you do not want to hear Alexa, tell her to stop, exit or off.
